## ABOUT THE LEAGUE

In 1927, a small group of women joined together to form a Women's Committee in support of the seven-year-old Norfolk Symphony Association. By 1953, the group had grown to include men and took on a new name: the Virginia Symphony League. The League began a rich tradition of organizing benefit events for the Symphony, and has since played a crucial role in the success of the VSO. This dynamic volunteer force of men and women has supported the VSO by fundraising, running merchandise sales, and much more.

Each member of the Virginia Symphony League shares in the myriad accomplishments of the VSO. Without our tireless efforts, the VSO could not provide the excellent services offered across Hampton Roads each season.

We hope that you join us as a new member or renew your membership to become a part of this vibrant organization – the Virginia Symphony League!
