

Membership Levels and Benefits 2019-20 Season

Gifts made to the VSO's Annual Fund throughout our fiscal year (July 1–June 30) are combined to determine your donor level. Donor listings, including those in our Program Books, reflect your overall support through gifts made directly to the Annual Fund or gifts made for a specific purpose, including our education and community engagement programs. Also included are any matching gifts from your employer.

During the 2019-20 season your benefits are based on your support this season or for your support during the 2018-19 season; whichever amount is higher. If you'd like to know your current donor level, please call 757.213.1417.
