

Violin

Label the parts of the Violin.

Word Bank:

- F-holes
- Bow
- Strings

- 1) Where does the sound come out of on the violin? _____
- 2) How is sound produced on the violin?

- 3) Circle one: As you put down your finger to shorten the string, you create a lower / higher pitch.
- 4) A _____ is when you shake the bow very fast to create a spooky sound.
- 5) Liz discussed the many personalities that the violin has. Discuss a few of them below!

Violin

Vocabulary

- String Family: The String Family is the largest family in the entire orchestra consisting of the violin, viola, cello, and double bass
- Melody: a group of notes of various pitches which are played one after another. Together they make a tune in the same way that a group of words make a sentence.
- Pitch: how high or low a tone is
- Tremolo: a trembling effect created by quickly repeating the note
- Pizzicato: a playing technique that involves plucking the strings of a string instrument
- Chord: a group of notes sounded together to form a harmony
- Double stop: the playing of two notes at once on a bowed string instrument
