

Membership Levels and Benefits 2020-21 season

Gifts made to the VSO's Annual Fund throughout our fiscal year (July 1–June 30) are combined to determine your donor level. Donor listings, including those in our Program Books, reflect your overall support through gifts made directly to the Annual Fund or gifts made for a specific purpose, including our education and community engagement programs. Also included are any matching gifts from your employer.

During the 2020-21 season your benefits are based on your support this season or for your support during the 2019-20 season; whichever amount is higher. If you would like to know your current donor level, please call Linda Dyer, Donor Relations, at 757.213.1412.
