## Vocabulary

- Woodwind Family: The Woodwind family consists of the flute, clarinet, oboe, saxophone, and bassoon. There are two types of woodwind instruments: flutes and reed instruments.
- Reed: a piece of thin cane used in various Woodwind instruments to vibrate and make sound (*the flute does not use a reed*)
- Fife: a small flute, similar to the piccolo, that was often used in Fife and Drum Corps, military bands, and marching bands
- Resonate: to produce a deep, full, reverberating (echoing) sound

### At Home Activity:

Do you have an empty bottle at home?

Try to produce a sound on the bottle like Rachel did in the video!
